

SPC Programme in Nauru

01/01/2016 - 31/12/2016

The following table lists key work areas that SPC is undertaking in 2016 cooperation with Nauru. The country-specific work listed here complements other SPC work undertaken at a regional level to benefit the people of Nauru and achieve its national development priorities. SPC's key regional work is presented in the Pacific Community Results Report.

SPC expected contribution to national development goals			
Expected long term result (impact)	Expected medium term result (outcome)	Status	Outputs taking place or expected to commence this year
National Level Work			
Pacific Island people reach their potential and lead long and healthy lives			
Education and Quality Assessment Programme			
Improved quality of education	Strengthening national accreditation and assessment systems	On Track	Compiled report on Pacific Quality Assurance Framework referencing against national agencies quality assurance strategy
Gender, Human Rights, and Culture
