

## SPC Programme in Tokelau

01/01/2016 - 31/12/2016

The following table lists key work areas that SPC is undertaking in 2016 cooperation with Tokelau. The country-specific work listed here complements other SPC work undertaken at a regional level to benefit the people of Tokelau and achieve its national development priorities. SPC's key regional work is presented in the Pacific Community Results Report.

SPC expected contribution to national development goals			
Expected long term result (impact)	Expected medium term result (outcome)	Status	Outputs taking place or expected to commence this year
<b>National Level Work</b>			
<b>Pacific Island people reach their potential and lead long and healthy lives</b>			
<b>Education and Quality Assessment Programme</b>			
Improved quality of education	Improved teacher and principals performance	On Track	Capacity of education officers, teacher educators, teachers and school leaders improved on classroom based assessment
	Provision of high quality programmatic technical services and policy advice	Ongoing	Pacific Register of Qualifications database updated with (i) accredited qualifications (ii) registered institutions (iii) professional associations and members (iv) accrediting agencies
	Raising of students achievements in literacy and numeracy	On Track	Technical assistance provided in the assessment and monitoring of literacy, numeracy, and life skills in the Pacific
	Strengthening national accreditation and assessment systems	On Track	Capacity of education officers, teachers, and school leaders enhanced to improve the quality of the regional qualification and in supporting the process of national examinations
<b>Water and Sanitation</b>			
Increased access to safe drinking water and basic sanitation	Natural resources developed and managed and governance strengthened	On Track	Tool kit on drinking water, safety planning and water, sanitation and hygiene (WASH) developed in local language for dissemination and use - WASH Training of Trainers (ToT) Guide developed for Tokelau and used as a resource material for trained participants
	Vulnerability and risks managed	On Track	Consultation and development conducted of Tokelau's National Water and Sanitation Policy - Scoping of policy consultations with the Tokelau Apia Liaison Office (TALO)

SPC expected contribution to national development goals			
Expected long term result (impact)	Expected medium term result (outcome)	Status	Outputs taking place or expected to commence this year
<b>The Pacific region and its people benefit from inclusive and sustainable economic growth</b>			
<b>Fisheries, Aquaculture and Marine Ecosystems</b>			
Improved management of oceanic fisheries	Enhanced national capacity in oceanic fishery data management and data use	Completed	Training provided in SPC-developed tuna data systems and tuna data management principles to fisheries officers
